

*“I will praise the name of the God with a song;
I will magnify him with thanks giving”Psalm 69-30*

Dear brothers, sisters and prayer warriors,

Greetings in the name of our Lord Jesus. We send love and hugs from our family to yours.

Thank you for your prayers and financial partnership, we appreciate it and praise God for you.

First of all, we want to introduce our new baby to you born this week, **Augustin Gabriel** is such a blessing to us! His brothers are happy and warmly welcomed him home with much joy.

We carry on doing ministry despite Covid, and praise God for our short movie about St Augustine’s prayers that is finally complete in the Kabyle language. It took us two years but it’s finally done. We also made many videos with Bible verses and Psalms to reach out on social media.

Our disciples and partners opened 14 Facebook pages and it’s amazing to see the gospel reaching areas of Algeria that are still in spiritual darkness. There were many insults and threats that come our way but overall the response is positive. God brought 8 people to Himself, new believers prayed through the phone and are followed up by local church leaders in Algeria.

We praise God for the 4 couples who want to join our ministry. They are faithful to God and the great Commission. They are trusting God for their financial partners that they will need to continue.

We praise God for all the Gospels and Jesus films we sent to our Facebook contacts through the mail and we are praying that it will reach the people safely.

We praise God for Nacera that came to the Lord a few months ago. She has grown in the Lord but her husband who is not yet a Christian gives her a very hard time. He destroyed all her Christian books, films and her Bible. He also forbid her to meet or be in touch with other Christian ladies. Finally, we got her a children’s toy with the full Bible. This has helped to feed her daily faith. Please pray for her and so many other sisters that are going through similar challenges.

Finally,

- We praise God for the technology he gave us that has brought the Gospel to many Muslims in an even easier way.
- We praise God for so many people that have been positive about the Good News of our Lord.
- We praise God for the volunteers - fellow brothers and sisters in Christ- helping with this ministry in Algeria.
- We praise God for you, brothers and sisters, for being a part of God's work among our people.
- We pray for you also and bless you in the wonderful name of our Lord and saviour Jesus Christ.

Thank you for all your prayers and giving financially to help see the Great Commission being fulfilled in our generation in Algeria. My our heavenly Farther bless all of you abundantly
